### Putting A Face To The Name

Body Okay, this isn't a fic, but more of a note. As my readers know, I've been using a character of my own creation named Stephen Myriad. Stephen has only been given brief descriptions, even in my latest fic starring him, "Shadows Of Things Past."

Well, I figured I'd help you all out by posting a pic of him that I drew. The drawing looks much better than the one on the page, since I had to take it with a digital camera. (Man, I really need to get a scanner!)

So, I hope this helps you all out. Here's the address.
